

UFUQ TECHNOLOGY ARABIA

IT solutions, software licensing, cloud, cybersecurity, technical support and consulting services for businesses across the Kingdom of Saudi Arabia.

CORPORATE PROFILE

Empowering Businesses Through Innovative IT Solutions

Ufuq Technology Arabia is an IT solutions and services provider based in Riyadh, Saudi Arabia, focused on delivering reliable, innovative and cost-effective technology to businesses across the Kingdom. Our core expertise spans software licensing, IT solutions and technical support — helping organizations manage their technology requirements efficiently and effectively.

We are supported by a team of experienced IT sales and technical professionals whose backgrounds span different markets and regions. This combination of technical knowledge, industry expertise and a customer-focused approach allows us to understand each client's requirements and recommend the right technology solutions for their business. From our base in Riyadh, we serve customers across Riyadh, Jeddah, Al-Khobar, Dammam and other cities throughout Saudi Arabia, simplifying software procurement, optimizing technology investment and providing dependable technical assistance.

OUR MISSION

Help customers achieve greater operational efficiency through innovative, practical and cost-effective IT solutions.

OUR APPROACH

Build long-term relationships through professional service, responsive support and solutions aligned with each client's objectives.

OUR REACH

Serving businesses across Riyadh, Jeddah, Al-Khobar, Dammam and other cities throughout Saudi Arabia.

WHY CHOOSE US

01 — DISCOVERY

Innovative Solutions

We work as an extension of our clients' businesses — respecting their values, protecting their reputation, supporting their teams and delivering results-driven solutions.

02 — OUR EXPERTS

High Professional Team

Our team combines expertise, experience and dedication to deliver reliable solutions, build lasting relationships and consistently exceed client expectations.

03 — SUPPORT

24-Hour Dedicated Support

Our dedicated support team is always available to provide prompt assistance, resolve issues efficiently and keep business operations running smoothly.

Our Technology Partners

We work in partnership with leading global technology vendors, giving Saudi businesses authorized access to licensing, subscriptions and expert product guidance across creative, productivity, engineering, AI and security software.

Adobe

AUTHORIZED PARTNER & RESELLER

Creative and document solutions for designers, marketing teams and enterprises — from professional image and video editing to enterprise-wide PDF and e-signature workflows.

Key products: Creative Cloud, Photoshop, Illustrator, Premiere Pro, After Effects, InDesign, Lightroom, Acrobat Pro, Adobe Express, Firefly AI

Microsoft

AUTHORIZED PARTNER & RESELLER

Productivity, cloud, security, collaboration and data solutions supporting business productivity, cloud adoption and digital transformation for organizations of every size.

Key products: Microsoft 365 (Business Basic/Standard/Premium, E3/E5), Copilot, Teams, Azure, Windows Server, SQL Server, Power BI, Defender, Entra ID, Intune

Autodesk

RESELLER

Professional design and engineering software for architecture, engineering, construction, manufacturing and media — covering 2D drafting, 3D modeling, BIM and visualization.

Key products: AutoCAD, AutoCAD LT, Revit, Civil 3D, Inventor, Fusion, 3ds Max, Maya, Navisworks, AEC & Product Design Collections

Claude (Anthropic)

RESELLER

An AI platform supporting writing, analysis, coding, research and content creation, with individual and organizational plans that include administration and security controls.

Key products: Claude Free, Pro, Max, Team and Enterprise; Claude Code; Claude Cowork

SketchUp

RESELLER

A flexible 3D design and modeling platform for architects, interior designers and contractors, spanning desktop, web and iPad workflows with specialized BIM and scanning tools.

Key products: SketchUp Go, Pro and Studio; LayOut; 3D Warehouse; Trimble Connect; Pro Scan & Civil Contractor plans

Our Technology Partners

Shutterstock

RESELLER

A comprehensive library of creative assets for marketing agencies, publishers and content creators, with flexible licensing for commercial, editorial and AI-generated content.

Key products: Images, vectors & illustrations, video, music, editorial content, AI creative tools; Standard/Enhanced licenses; Team & Enterprise plans

Bentley Systems

RESELLER

Specialized infrastructure software for civil, structural, transportation and utilities projects — connecting engineering design, project collaboration and construction planning.

Key products: MicroStation, ProjectWise, SYNCHRO 4D, OpenRoads/OpenBridge/OpenTunnel Designer, STAAD.Pro, PLAXIS, AutoPIPE, OpenFlows

Kaspersky

AUTHORIZED PARTNER & RESELLER

Cybersecurity solutions protecting businesses against malware, ransomware and advanced threats — scaling from small-office endpoint protection to enterprise EDR/XDR.

Key products: Kaspersky Next EDR/XDR/MXDR (Foundations, Optimum, Expert), Small Office Security, Security Awareness, Mail Server Security, Threat Data Feeds

DiRoots

RESELLER

Productivity plug-ins for BIM and AEC professionals that simplify repetitive tasks, automate drawing production and improve model data management across Revit and Civil 3D.

Key products: DiRootsOne, ProSheets, DiStem, IDS4Revit, DiCivil, DiStellar

Nitro

RESELLER

PDF and document productivity software for organizations that create, edit, sign, secure and manage business documents across desktop, mobile and the cloud.

Key products: Nitro PDF Pro, Nitro Sign (eSignature), Nitro Smart Redact, Nitro Automate, Nitro Analytics
